ROBERT OGDEN, Plumber and Steam Fitter,

No. 63 JEFRESON STREET, ABOVE THIRD, DAYTON, OHIO.

HAVING been a resident of this city but a short time Mr. O. would take this coassion of selecting one from among a serie of letters he received from gentlemen for whom he did work in his Gurner place of residence:

Foat Waysk, isp., April 30th, 1552.

Having had occasion to use the services of a plumber, I was introduced to mr. Ogden, a gentleman who had just arrived in our city. The job that was to be done was very difficult, and required the nicest kind of mechanism. I am happy to add that the work was performed to my entire satisfaction, and as a master of his art, I take pleasure in recommending him to my fellow townsmen.

He would also take the privilege of giving one among several recommendations he has received since his residence here:

Mr. Ogden has done considerable work in the plumbing line in my house, which is very satisfactory.
